

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 11, 2022

ICMS #: 2022-0180

On March 10, 2022 the OPO received a phone complaint.

The complainant alleges: The complainant made a police report for stolen identity. APD stated in the report that they reached out to hear but they did not. APD reported that the accounts were opened online but the person who stole her identity went to her bank and withdrew \$2,000 and the bank camera footage should reflect that. There were many officers involved in the false investigation. The complainant stated the police report is a lie and there needs to be a re-investigation of her case because the incident is going against her credit.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
