

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

October 21, 2022

ICMS #: 2022-0955

On October 21, 2022, the OPO received a phone complaint.

The complainant alleges: He was pulled over and given a citation for not having a registration sticker. The officer was disrespectful towards the complainant. He was then handcuffed and put in a police car because the officers thought he was someone else who had a warrant, all in front of the place where he works. They had seen his ID and didn't really give him a chance to prove he was not the person they thought he was. When they finally realized he was who he said he was, they let him go. There were 3 officers. The officer who had arrested him stayed in his car and made the other 2 let him go. The officer showed no remorse. The complainant asked his cousin who is a cop if they are allowed to apologize when they do something wrong and his cousin said they could. The complainant wonders why they didn't apologize to him when they could have.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
