On September 7, 2022, the OPO received an online complaint.

**The complainant alleges:** An Austin Police officer was inebriated and/or hungover at the testing in [REDACTED]. From the recruiters listed on the website it appears to have been Officer/Recruiter [REDACTED]. I did confirm the officer is still employed with the agency. This is a violation of your own General Orders. There were approximately five male Austin Police officers conducting the activities at the sports complex who should be able to corroborate this statement. Note: Your system will not accept the address: [REDACTED]  
[REDACTED] I have set it to the physical location of your police station.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
