NOTICE OF COMPLAINT

May 6, 2022

ICMS #: 2022-0349

On May 5, 2022, the OPO received an online complaint.

The complainant alleges: I was asleep in my car [REDACTED] [REDACTED] got woken up to a group of cops sticking their head in my doors at about [REDACTED] because they wanted to make sure I was ok because I was asleep in a “bad area” and they didn’t. One cop noticed something in my car then assumed he knew what was in my car was being misused for a purpose other than what it was for. He then began belittling me assuming I was doing drugs. If he really thought it was he was more than welcome to check and see but didn’t. Another officer asked for my ID I have them passport because my Drivers license and social security was stolen from me [REDACTED] from my car literally right in front of [REDACTED] [REDACTED] I even tried reporting that at headquarters I called 311 and I couldn’t even get one police officer to show up after waiting for a supposed call. I called at 1 was told it would be a 2 hour wait I waited there 9 hours no one called or anything. And the day before that I tried to report something too two different police and no reports were made. One just handed me a number on a part stating this shows we talked. It’s a shame when you need the police they do nothing and when you are doing nothing but sleeping decide to harass you for being asleep in your car when there are tents of people sleeping on the streets all over Austin doing much much worse. I also called the number you make complaints to during business hours but got sent straight to voicemail left my name and number and got nothing. I would love to talk to someone about everything that’s happened.
