ICMS #: 2022-1029

On November 14, 2022, the OPO received a phone complaint.

**The complainant alleges:** She was driving to [REDACTED] Texas and the gentleman with her was on the phone talking about killing someone. She told him to get off the phone because she did not want any part of that. The person told her to take him back to Austin and she did. When they got back to her house, she asked for her phone and the person then called the police and told them she was threatening him at gunpoint. The police came to her house thinking she had a gun. While she and her kids were outside talking to the female officer the person stole her phone and her wallet. The officers did not do their job.
