

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

June 3, 2022

ICMS #: 2022-0441

On May 23, 2022, the OPO received a phone complaint.

The complainant alleges: There are a lot of drugs in the area and the police will not do anything, it is almost like the police are on their side. There are a lot of crimes in the area and when he calls the police, they only ask him a lot of questions. They get angry when he calls and tells him there is a lack of police officers. On one occasion a black guy was stopped in front of his laundromat and would not leave when he asked him to. He called the police and when they responded, they did not do anything and that's why these guys do whatever they want. He just wants a solution to the problem.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
