NOTICE OF COMPLAINT

March 17, 2023

ICMS #: 2023-0213

On March 14, 2023, the OPO received a phone complaint.

The complainant alleges: He is a 60-year-old disabled man with a 15-year-old disabled child. The APD task force was knocking at his door, a bunch of NAZIs. The complainant opened the door right away. APD came in and handcuffed his son so tight that he has bruises around his wrists. They took his son away in the APD car. They would not take his son's medication. They kept the complainant outside and they tore up his house, his closet, and everything. After two hours they told him they were sorry it was probably a mistake, but they took his son's laptop for investigation. His son goes to school 5 days a week and works at [REDACTED] on the weekend. What is APD doing in his house? APD did tell him it was concerning a girl kidnapped in [REDACTED]. The complainant will not sit down until the truth comes out.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
