

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 10, 2023

ICMS #: 2023-0191

On March 6, 2023, the OPO received an online complaint.

The complainant alleges: Officers at the [REDACTED] are having a relationship behind their spouses on the job. That's just great way to spend our tax money and making sure we get the service needed.

You will not able to proof anything because they use the app Signal to communicate which erases all the communication. Proof that they have something going n that they want to hide.

Nothing will happen out of this of course because we are just regular people to whom no one listened and beloved. Anyhow it is good to have a place to at least let your concern know. Thanks you.

Officer info: [REDACTED], Latino or Hispanic American
