

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 13, 2023

ICMS #: 2023-0030

On January 12, 2023, the OPO received a phone complaint.

The complainant alleges: The complainant is homeless and has been living in a homeless camp for about 3 years. The people in the encampment were given a 72-hour notice to vacate. Officer [REDACTED] told him not to touch anything and that he could only take his backpack and bike. City workers allowed the complainant to move his things about 30 yards away from the area. The complainant left to find storage. When he returned, everything he owned had been taken away. He was able to get storage, but all of his things were thrown away in a 12-hour period leaving him with nothing. The complainant feels he was not given enough time to move his things and he wants to know how to get them back. There was no right in what Officer [REDACTED] did.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
