

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

January 20, 2023

ICMS #: 2023-0049

On January 18, 2023, the OPO received an online complaint.

**The complainant alleges:** While I was driving to work on [REDACTED], I was in the right lane, I put my turn signal on and proceeded to get over in the left lane, the car (a white police cruiser) turned on their lights so I retreated back into the right lane to complete getting pulled over. At this point the officer turned his lights off and continued driving. This action was a complete abuse of power. I didn't retrieve an identifying number or the license plate so I'm assuming nothing will be done. These disgusting and unfair actions can/will/do affect how people see APD.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
