

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

March 31, 2023

ICMS #: 2023-0253

On March 28, 2023, the OPO received a phone complaint.

**The complainant alleges:** He was enjoying a taco at [REDACTED] when an officer parked in the middle of a crosswalk in the middle of a busy intersection. The complainant assumed it was official police business -- why else would the officer park in an intersection like that? The officer went inside [REDACTED] and sat down to have a taco. The complainant was a bit grumpy about the situation, so he approached the officer and told him people were walking around his cruiser because he parked in a crosswalk in the middle of the intersection and asked if that seemed ok to him. The officer told the complainant he was on Austin police business, and he had to be able to get back to his cruiser at a moment's notice and he was well in his rights to park there. The officer was a bit of a jerk and felt like he was above the law. APD Cruiser # [REDACTED].
