

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

June 24, 2022

ICMS #: 2022-0527

On June 22, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant's son, [REDACTED] was trying to prevent the mother of his 2 kids from driving after she drank 3 beers. [REDACTED] didn't have his shirt on and she scratched his chest. APD arrived and Officer [REDACTED] asked [REDACTED] "What did you do to her to make her scratch you like that?" instead of generally asking what happened. [REDACTED] requested a supervisor. A scuffle and shouting match happened in the complainant's living room as officers handcuffed [REDACTED] who somehow ended up on the floor asking why he was being handcuffed. An officer also commented that he saw the woman's fingernails and didn't believe that she could have scratched him with nails that short. The complainant is also upset that officers allowed the kids' mom to drive after drinking 3 beers, and has many questions about what happened that night. Officers did not provide their names, badge numbers, or a report number to the complainant.

***This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.***
