On May 9, 2022, the OPO received a phone complaint.

**The complainant alleges:** He had to call an APD supervisor, he thinks [REDACTED] was the name, because an APD officer came after him under the bridge in a black unmarked SUV. The officer was trying to run into him and others. The officer got out of the vehicle and pushed him and tried to arrest him for exercising his constitutional rights to bear witness and film. The officer would not listen to his explanation that he was protected by the 4th amendment. Police have tried to stop him and others from filming events that are important for the public to know.
