ICMS #: 2021-0643

**Complaint:** The complainant alleges:

████████████████████ corporate office over ██████████ ■ ██████████  
████████████████████

Detective ██████████ badge number ██████████ what's told months ago and never went in and got those attempted murder children a ██████████

Officer ██████████ badge number ██████████ work the case handed over to detective ██████████

██████████ badge number ██████████ 911 called and gave a new case number for that dog attack ██████████  
██████████, NAACP ██████████,

I've also contacted the FBI I pulled all the emails and I was told to send them to the state police cuz this is serious to have a \$16,000 medical bill and the police refused to go get the children upstairs in the same apartment.

I was taking pictures because we had no lights no water no gas for a week due to that snow storm. I am a disabled merchant seaman that was in ██████████.

I called the police who took forever to come out and reported these kids tried to kill me. I could not run so. I had to fight for my life. I Have diabetes type 2. if that dog had succeeded in chewing me and killing me or if I would have been left half alive. I would have died anyway because when you have diabetes. type 2 it's hard to heal. Pictures of the children where they covered their heads laughing they thought it was so funny to chew me up and kill me. it was also Black history month when they weren't showing all the accomplishments of black people, they were showing people like the movie jingles where black people were put in cages and chewed up by dogs. Parents should explain that to children I took and I hit the Dog and its brains over and over again his nails was inside my stomach made a big bruise Mark which I showed to the police and animal control must have sprained something really bad in my body I took pictures of the kids because the dog would never let me near them as you can see in the picture the dog has no collar leash and it's laying side-ways because it was knocked out don't ask me how I did it it only was Jesus I took pictures of them covering their heads laughing the boy begin running and the girl walked you will see a picture with her sitting on the ground and she saying hail Satan hell Satan, very delusional destructive behavior schizophrenic and very evil I did everything correctly I went in the leasing office at ██████████ I reported this to leasing agent
