NOTICE OF COMPLAINT

February 10, 2023

ICMS #: 2023-0107

On February 7, 2023, the OPO received a phone complaint.

The complainant alleges: Police came with a search warrant for one of her sons. During the search they put two large holes in her washroom door. She understands that they had to toss things about but they knew what the warrant was for and she doesn't understand why they would put big holes in the door.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
