### NOTICE OF COMPLAINT

March 4, 2022

ICMS #: 2022-0128

On February 28, 2022 the OPO received an online complaint.

**The complainant alleges:** I got stop by undercover on [REDACTED] at the [REDACTED] on [REDACTED]. They pulled up on me and someone else as I was about to pull off. Once they open my door immediately told officer [REDACTED] badge number [REDACTED] that I had a gun on the driver side door. The gun came back clean as the gun is mine and registered. Officer [REDACTED] and [REDACTED] was at there as well, guess doing an investigation.they search my car and everything was clean until this undercover officer came and broke my glove department. They wouldn't give me that officer badge number, I think they were looking for drugs but if they looking at my background I've never been arrested on any drug charges in my life . That made me mad ! The same undercover office them lift my shirt as office [REDACTED] told him I use to gangbang . I'm on camera telling APD officers I don't gangbang I'm not in L.A anymore I work two jobs. Then they explain there were crack residue in my car ! Never! I never did crack or sold crack in my life then that same undercover badge number they would give me try to put me as a gangbanger when I don't gangbang anymore I'm cool with most of the officers at [REDACTED] sector as I work with them at my job. But I need that undercover officer to come fix my glove department as he broke it and just left it there. They didn't find anything and that officer broke my glove I that fix.
