On June 13, 2022, the OPO received an online complaint.

The complainant alleges: Only [REDACTED] I was falsely accused of Domestic Violence. Earlier that day around [REDACTED] I call the police to make a report on my ex Girlfriend who was being aggressive, and throwing my belongings around. They never sent an officer over because I told them I had to be at work [REDACTED]. I got off work around [REDACTED]. Somehow my ex calls the cops told them I had strangled her. They call was made at [REDACTED]. She called the cops again once I got into my house. I was brought outside for questioning put in handcuffs. Then spent 3 days in jail. I have an affidavit with a warrant on it, but the Police report says no warrant. This is a human rights violation. I will go to the media for this
