

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

December 2, 2022

ICMS #: 2022-1088

On November 30, 2022, the OPO received a phone complaint.

The complainant alleges: There was a man dressed in a bra and no underwear exposing himself and washing himself at the water fountain in a park where children were playing [REDACTED]. The complainant called 911 several times and APD drove by but didn't even get out of the car nor did they address the issue. When she got home, her wife said she also made a 911 call because the man was raising his hands yelling, "Come on motherfucker" with his genitals exposed. Again, APD drove by and still did not address the issue. The man was obviously breaking the law and APD did not do anything about it.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
