## NOTICE OF COMPLAINT

ICMS #: 2022-0362

On May 10, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant has a complaint against a formerly-employed APD dispatcher named [REDACTED] whose address is or was [REDACTED]. [REDACTED] was falsifying police reports, removed a report, and trying to get the complainant hurt because of an inheritance issue. Officer [REDACTED] badge [REDACTED] dated [REDACTED] roommate, [REDACTED]. [REDACTED] helped falsify arrest reports. The DA for Bastrop County contacted the complainant for a statement on the officers in this complaint before she left Texas but she wouldn't do it for fear of more bodily harm. She names multiple people who were falsely arrested going back to 2020.

An investigator falsified the complainant's aggravated assault report from when she lived at [REDACTED] apartment complex, saying that she didn't follow up with detectives. She was afraid to come in and speak with them. The complainant had to move out of state to avoid more physical harm.

She has filed multiple reports with these officers to get help getting away from people and nothing ever came of it because of them:
