NOTICE OF COMPLAINT

September 2, 2022

ICMS #: 2022-0743

On August 31, 2022, the OPO received an online complaint.

The complainant alleges: In the [REDACTED] of [REDACTED] at the [REDACTED] [REDACTED], I was involved in an interaction with two Austin Police Department Officers. During this encounter, my Glock 22 pistol, holster, attached light, magazine, and ammunition were seized from me by one of the officers. This encounter ended with an order to leave the [REDACTED]. I followed the officers instructions and left the [REDACTED]. The officers did not return my property. I spoke with a gentleman from the Austin Police Department [REDACTED]. He advised me that there is no mention of a firearm in any of the reports or paperwork. Not only is this property of high value monetarily, it is also sentimental. The Glock and its attachments belonged to a law enforcement officer who was killed off duty. This was his duty weapon and he was my best friend. I would like my property tracked down, please. Reference case number [REDACTED]. Thank you and I look forward to hearing from you soon.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
