

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 3, 2023

ICMS #: 2023-0088

On January 31, 2023, the OPO received an online complaint.

The complainant alleges: Saw a cop SUV changing lanes recklessly without a turn signal. There was a lot of traffic and they didn't have their emergency lights on or anything. This is risky driving. They shouldn't just act like traffic laws don't apply to them because they can't get caught. They put people at risk. Traffic regulations like that exist for a reason. Time is approximate. Address is approximate and for reference only as the incident occurred on a street.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
