NOTICE OF FORMAL COMPLAINT

ICMS #: 2021-1264

January 7, 2022

Complaint: The complainant alleges: Made a report of sexual assault to both APD and UTPD. First went to [REDACTED] for one assault (APD ignored me) and was later told there was no record of the report made, I've been looking into Title IX to see what legal action I have there. After going to APD for a second assault that happened weeks later I felt my evidence was improperly taken and tested. I believe I've been lied to about the results. When the officers questioned me it was not in a secure location and was asked questions about a sexual assault in front of strangers passing by. I was asked inappropriate questions that led to further harm or secondary blame of a victim. I believe the police are hiding the factual evidence and protecting themselves and those in power who may be responsible.

This notice of formal complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
