NOTICE OF COMPLAINT

June 24, 2022

ICMS #: 2022-0524

On June 21, 2022, the OPO received a phone complaint.

The complainant alleges: He was not at his apartment when his roommate opened the door to two APD officers trying to serve him with a warning for reckless driving which was based on hearsay from a lady that followed him home. APD did not have a license plate number or any identifying information other than a green bronco ford which there are three other vehicles in his apartment complex the exact same as his vehicle. The complainant questioned why he was being given a warning when the officers had no license plate number only the claim made by the lady who followed him. The complainant stated he filed a complaint and APD came the next day and arrested him.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
