

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 30, 2022

ICMS #: 2022-0857

On September 28, 2022, the OPO received an online complaint.

The complainant alleges: Your office driving unit [REDACTED] continued to turn on lights and sirens to get through red lights En route westbound on [REDACTED] street As citizens we know to pull right but this officer did this multiple times and drivers literally almost crashed or came to abrupt stops at the intersection [REDACTED]). If going to an emergency this is fine but to simply do it so their not in traffic is unacceptable. I understand the officer safety perspective and ensuing egress but these are obvious abuses of power.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
