

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 20, 2023

ICMS #: 2023-0044

On January 17, 2023, the OPO received an email complaint.

The complainant alleges: Anonymous resident states there has been an ongoing issue of loud music being played at the location below. They state they have been reporting the issue since July 2022, but nothing has been done. Residents already had information on their APD District Rep.

Since May 2022 there have been seventy (70) APD – Non Emergency Noise/Alarm service requests from that address. For these, a CAD call is usually made and the service request is closed.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
