NOTICE OF COMPLAINT

January 13, 2023

ICMS #: 2023-0023

On January 10, 2023, the OPO received a phone complaint.

The complainant alleges: She was assaulted by an [REDACTED] employee. The [REDACTED] employee responsible for the assault was fired. She was attacked by someone and APD refused to come out. The complainant was referred to 311 by 911 to file a report and requested a follow-up from APD. She was told an officer would contact her in 24 hours and it has been [REDACTED] and still no contact from APD. She went to a precinct [REDACTED] only to hear they are backed up and it could be 2 to 3 weeks before someone contacts her. She does not want to file a police complaint, but she is fed up. While she is waiting for an officer to call her back, she could be killed. She just wants to file her police report.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
