

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

November 4, 2022

ICMS #: 2022-1004

On November 3, 2022, the OPO received a phone complaint.

The complainant alleges: He has a child custody order out of ██████ County and for the past two years he has had to call APD every two weeks because the mother is not following the order. He made a report on ██████ and he is just now getting a call back from APD. Officer ██████ badge # ██████ questioned why he was calling, and he explained he has to because his child's mother is not following the court child custody court order. Every two weeks it is the same thing over and over and it always takes two or three weeks for APD to call him back. When he requested the updating of his incident reports, Officer ██████ stated something like, APD has been defunded and if he has an issue, he has to take it up with the City Council. Officer ██████ questioned why he has not taken the mother to court. The complainant explained he does not have \$10,000 lying around for court fees. Officer ██████ stated she was sorry he was going through this, but if it was her, she would have figured something out by now. He felt what she said was an insult and very unprofessional.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
