105 PURPOSE AND SCOPE – COMMUNITY POLICING

The purpose of this general order is to identify the tenets of Community Policing, which serves as the basis for this Department's mission and guiding principles. Community Policing is beyond a philosophy, it is a practice. The Austin Police Department is committed to Community Policing which strives to build mutual respect, collaborative partnerships, fair and impartial policing, and procedurally just behavior with the community that we serve. The Department's goal is to have an understanding of the traditions, culture, and history of the neighborhoods in which they serve in order to develop proactive solutions to problems and increase overall trust in policing. Likewise, the Department is required to provide information and training to the community so community members gain an understanding of police practices and procedures, as well as an understanding of the traditions and culture of law enforcement.

301.1 PURPOSE AND SCOPE – RESPONSIBILITY TO THE COMMUNITY

All persons deserve protection by fair and impartial law enforcement and should be able to expect similar police response to their behavior wherever it occurs. Employees will serve the public through direction, counseling, assistance, and protection of life and property. Employees will be held accountable for the manner in which they exercise the authority of their office or position. Employees will respect the rights of individuals and perform their services with honesty, sincerity, courage, and sound judgment.

301.2 IMPARTIAL ATTITUDE AND COURTESY

Employees are expected to act professionally, treat all persons fairly and equally, and perform all duties impartially, objectively, and equitably without regard to personal feelings, animosities, friendships, financial status, sex, creed, color, race, religion, age, political beliefs, sexual orientation, gender identity or gender expression or social or ethnic background.

301.3 CUSTOMER SERVICE AND COMMUNITY RELATIONS

APD constantly works to establish direct contacts with the community we serve. Without

grassroots community support, successful enforcement of many laws may be difficult, if not impossible. Community involvement can be an effective means of eliciting public support, can serve to identify problems in the making, and may foster cooperative efforts in resolving community issues. Input from the community can also help ensure that agency general orders accurately reflect the needs of the community.

900.3.2 ACTS BRINGING DISCREDIT UPON THE DEPARTMENT

Since the conduct of personnel both on-duty or off-duty may reflect directly upon the Department, employees must conduct themselves at all times in a manner which does not bring reproach, discredit, or embarrassment to the Department or to the City.

Recommended Classification: *The OPO is permitted to make a preliminary recommendation on the classification of administrative cases.*
