

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 10, 2023

ICMS #: 2023-0195

On March 6, 2023, the OPO received an email complaint.

The complainant alleges: Resident states she had been sexually assaulted and injured after having a seizure on [REDACTED]. APD was called, but they did not identify themselves to her, did not assist her, did not call EMS or Victim Services, nor give her a pamphlet with information. They had made her do a sobriety test and rendered no further assistance. Resident is currently pulling together medical records and decided to make a complaint about the incident, which occurred on [REDACTED] near [REDACTED] at about [REDACTED] on that date. Resident believes she had been treated differently because she is a person of color.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
