NOTICE OF COMPLAINT

July 1, 2022

ICMS #: 2022-0539

On June 27, 2022, the OPO received an online complaint.

The complainant alleges: [REDACTED] + his girlfriend [REDACTED] attacked me in my apt. [REDACTED] a UT football player knew the cops that showed up that day. They recognized his name. Cause number [REDACTED] case is a internal police number [REDACTED] punched me through 2 doors and his gf straggled me. [REDACTED] county prosecutor calls me to tell me [REDACTED] case is still pending and the DA dropped [REDACTED] strangulation case. I call the DA no record of any DV I have ever gone through that were felonies! The DA + county told me that they have no jurisdiction over police depts closing cases with physical evidence and witnesses. APD NEVER SENT THEM THE STRANGULATION CASE! APD + Internal Affairs are closing reports + OPO complaints about POLICE MISCONDUCT and felony + misdemeanor crimes this dept is covering up and not reporting to federal agencies or county. Victims are unable to get relocation, compensation, medical bills , protection orders, housing through VAWA because of these conflicting interests w/in IA + proper jurisdiction of complaints and public safety or welfare within Travis county Police Dept., DA, County prosecutor, Attorney General, Dept of Justice and ATX independent police oversight committee. Documented in every complaint I have filed since [REDACTED]

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
