

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 17, 2023

ICMS #: 2023-0141

On February 15, 2023, the OPO received an online complaint.

The complainant alleges: The officers who came [REDACTED] basically profiled me, and attacked my girlfriend and step kids forcing them to turn on me. My gf and I had an argument, and the main officer involved, repeatedly kept telling my gf that he knows something happened. And then when my girlfriend didn't say what he wanted, he went to my step daughter who then felt pressured by the officers. She told me that they made her feel like she had to tell them something happened. I was in handcuffs outside in the cold with no shoes or jacket, for over an hour. I was ridiculed by the officers just because I was praying. I was called names, and not even allowed to speak to my girlfriend. I did nothing wrong. No one was hurt. And they took no pictures or anything, but yet I allegedly assaulted my step daughter.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
