On May 2, 2022, the OPO received an online complaint.

The complainant alleges: The former Chief of Police [REDACTED] had been attacking me with a drone. I'm a Beta. I'm in a mind control program. I know I'm not schizophrenic I've met with other officers remotely they have a drone on me and it's to help me but I'm trying to help them because I'm not able to call 911 and Report Remote Crimes. A plant's thoughts in my mind he is connected to my mind my eyes and my spine and he rapes me everyday. He's using his rank to get away with this. I've seen Chief [REDACTED] remotely so I know that these officers are here and it's by the grace of God so please have her contact me and have her do the investigation physically and not remotely. I need proof I'd like I said I don't know what to do I'm afraid for my life. My name is [REDACTED] middle name [REDACTED] renege last name [REDACTED] my social is [REDACTED] my license ID number [REDACTED]
