NOTICE OF COMPLAINT

October 28, 2022

ICMS #: 2022-0990

On October 28, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant's son, [REDACTED], was tased 6 times by APD and arrested outside of the game room where he works. The arresting officer was [REDACTED] # [REDACTED]. Police ran the plates of the cars in the parking lot and searched her son's girlfriend's vehicle. Her son was the last person to go to/come out of the girlfriend's vehicle. The complainant wants to know why they were running the plates in the parking lot. They knew [REDACTED] had a warrant; he had been working with his lawyer on that. He was arrested for evading arrest, possession of marijuana, and distributing marijuana. He was working at his job at the time of his arrest so how could he be charged with distributing? He didn't take off running or anything like that. He had his hands in the air and they tased him 3 times while he was standing there. They should have approached him the right way and told him why they were arresting him. There were 4-6 officers there and witnesses. Why would APD handle her son like that?

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
