

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 6, 2022

ICMS #: 2022-0328

On May 2, 2022, the OPO received an email complaint.

The complainant alleges: Whoever the officer was that was working at the [REDACTED] around [REDACTED] on [REDACTED] for the [REDACTED] was incredibly unprofessional. He was working at the exit for the cars.

The entrance was blocked off and I was trying to ask him where the entrance was. He turned around looked at me and rolled his eyes then said something to another officer and put his hands up. He then walked between the cars to avoid me. All I wanted to do was ask a question because I'm new to the area and was looking for the entrance.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
