ICMS #: 2022-0046

On January 20, 2022 the OPO received a phone complaint.

**The complainant alleges:** He got robbed at knifepoint and the person tried to steal his car. The police were called, but no one ever came out. He called [REDACTED] to complain, and they said they would have a sergeant call him, but he never got a call. He called [REDACTED] and was told the cops came on [REDACTED] which was a complete fabrication because no one did. The guy rode his bicycle to rob him and fled on foot, and he had the bike and hat, and no one has ever come or done anything, and someone needs to get fired. He is unsatisfied with police protection and cannot wait to get the hell out of here. He requested information, and he has not gotten anything. He wants the complete file, and no one will give it to him. He requested information on case# [REDACTED]; some of the property was returned. He did a public information request and most of the information was redacted.
