

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 4, 2022

ICMS #: 2022-0145

On March 3, 2022 the OPO received an online complaint.

The complainant alleges: APD is slow as FUCK to handle even the most egregious complaints. I called about a woman harassing me and trying to enter my apartment, and your incompetent 911 operator listened for about 10 minutes and transferred me to 311 without saying anything, where I had to repeat the entire story. Pathetic police department, what are my taxes going to? Its embarrassing that you are allowed this amount of power with such a massive lack of oversight. I hope all of you have something really awful happen to one of your loved ones very soon, and I hope no one comes to help when you call.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
