

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 20, 2023

ICMS #: 2023-0057

On January 20, 2023, the OPO received a phone complaint.

The complainant alleges: The complainant's father's truck was hit while parked by a van that drove away. Someone got a picture of the license plate. The complainant is a former judge and police officer and was able to obtain the van owner's phone number. He spoke with the owner and found out that the valet supervisor of the [REDACTED] had been driving the van at the time of the hit-and-run. The damage to his father's car is at least \$10,000. The complainant is upset that APD wouldn't talk to him or respond to a call for service even though this is a Class A misdemeanor and he had located the perpetrator.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
