Complaint: Complainant, Mr. [REDACTED]: The police were called because my neighbors and I got into an altercation. I was put in handcuffs and my neighbors got to go inside their apartment. Police searched my car and my car had nothing to do with it. What did my car have to do with the situation? Why wasn't my neighbors car searched as well? they were part of the situation. My Michael Kors watch is missing after the police searched my car, I think the police has it. They violated my rights.
