

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 25, 2022

ICMS #: 2022-0204

On March 21, 2022, the OPO received a phone complaint.

The complainant alleges: He had a green light to go straight as he approached [REDACTED], but an APD vehicle speeded through the intersection without having his siren or flashing lights on. When the officer's traffic light turned green, he swerved around other cars in front of him and sped on [REDACTED] towards the intersection at the [REDACTED]. The officer flipped on his flashing lights as he approached the red lights going 80 miles an hour. If the officer was on a call, he should have had his flashing lights and siren on the entire time.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
