

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 27, 2023

ICMS #: 2023-0078

On January 27, 2023, the OPO received an online complaint.

The complainant alleges: In [REDACTED] of [REDACTED] I do not recall specific dates Officer [REDACTED] came out and removed an individual from a unit with the same documents that I showed him on [REDACTED], I actually have more proof [REDACTED] than with the previous incident. Fast forward to the last [REDACTED] where I have been dealing with people that are not legally tied to property, yet APD refuses to work with us and get the individuals off the property. I have legal documents and recordings; I also have signs posted throughout my community that says Private Property no Trespassing. I would like the same treatment each time and not different results based off race or ethnicity which is what I feel is transpiring here. I would also like to make a formal complaint with Internal Affairs because these officers are not doing their job properly and fairly. Also, on [REDACTED] when I was giving an example Officer [REDACTED] decided to tell me about my ID address not matching and how that was a crime, yet he can't follow basic crime 101. I need for someone to look into this matter.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
