NOTICE OF COMPLAINT

October 14, 2022

ICMS #: 2022-0910

On October 10, 2022, the OPO received a phone complaint.

The complainant alleges: He witnessed a person being attacked by five homeless people. The complainant was able to get a picture of one of the suspects before he ran away. The complainant called 911 and a Hispanic female and white male officer with a beard responded to his 911 call. The male officer was a super smart ass. The complainant offered to provide a picture he had taken of the suspect and was told by the officer “Since you won’t give me your ID, I don’t give a [REDACTED] about who he is”. He also told the complainant to get the [REDACTED] across the street and shut up. When the complainant refused to provide his ID, the officers refused to do anything or talk to him and drove off.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
