

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

September 30, 2022

ICMS #: 2022-0872

On September 29, 2022, the OPO received a phone complaint.

**The complainant alleges:** He has had a situation with his girlfriend who was assaulted in the past and is a little high-strung. He received an e-mail from a detective stating he was working on putting them in a program to get them moved. Four or five hours later the cops showed up at his door with [REDACTED]. They were yelling through the door at her, and they are laughing. They told them they were calling 911 too much and they need to stop. But every cop that has come to their home has told them they need to call 911 every time there is an incident so it can be documented. APD is pushing his girlfriend over the edge. It is humiliating and demoralizing, and it shows that there are idiots trying to help.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
