

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

August 26, 2022

ICMS #: 2022-0708

On August 23, 2022, the OPO received a phone complaint.

The complainant alleges: She has filed multiple reports with APD for assaults. APD has not investigated any of the crimes against her. One of the incidents resulted in her receiving 11 stitches in her head and she is having memory issues. She called [REDACTED] and spoke to a supervisor or sergeant for the detective who handled her case. She argued with the sergeant about what needed to happen and also told him she is elderly and handicapped and people who are significantly younger than her are assaulting her. The sergeant told her she was not a high priority. She called again and tried to reach someone above the sergeant and the person she spoke to told her whatever the sergeant and detective said is what it is, and she does not need to talk to anyone else.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
