

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 30, 2022

ICMS #: 2022-0859

On September 28, 2022, the OPO received a phone complaint.

The complainant alleges: He called the police three times because his neighbor was playing loud music and children were running around everywhere. He made one report to APD and two reports to 311. An APD officer was supposed to respond but never did because the music continued until [REDACTED]. He made a report to 311 a [REDACTED] ago because his neighbor was smoking marijuana and the smoke gets into his apartment. He thinks the smoke will harm his small children. Again, APD never responded. He does not understand why APD is avoiding his reports. APD mentioned that they are cutting back on expenses. They need more police in their area because organized crime is high and increasing.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
