

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 18, 2022

ICMS #: 2022-0102

On February 14, 2022 the OPO received an online complaint.

The complainant alleges: My wife and I were driving and we saw a police car red a red light that endangered not only us but other cars in the intersection too. It was clearly red for them because the light was green for us when he blew through it. This was on [REDACTED] and [REDACTED] [REDACTED]. I didn't get the officer's badge or name (since I can't pull them over) but I did get photos of the car and I think I got the license plate number [REDACTED]. I can forward you the photos if you'd like. The car's number was [REDACTED].

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
