

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

February 10, 2023

ICMS #: 2023-0119

On February 9, 2023, the OPO received a phone complaint.

The complainant alleges: She knows some guys who live in a house that the complainant used to live in or owns. Someone came at [REDACTED] and shot one of the guys' cars. There were 3 officers, one white, one Hispanic, one Black. The Hispanic officer was making fun of the victim and told the victim that he was the one who shot the car. The house has cameras pointing at the cars. The victim had picked up a piece of evidence, maybe the bullet, and the officers said he had incriminated himself because now it had his fingerprints on it. The complainant requested the officers' names and a report number and officers refused to provide that. There was a muddy area with a footprint that police didn't check. They checked the car, they made fun of the victim, and they left. This is in a poor, ethnic area where nobody's taking care of these people. Police don't care about them. Every night there is a shooting. The complainant tries to help them and teaches her neighbors to do the same.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
