Recommended Administrative Policies to Review (to include but not limited to):

301.2 IMPARTIAL ATTITUDE AND COURTESY

Employees are expected to act professionally, treat all persons fairly and equally, and perform all duties impartially, objectively, and equitably without regard to personal feelings, animosities, friendships, financial status, sex, creed, color, race, religion, age, political beliefs, sexual orientation, gender identity or gender expression or social or ethnic background.

301.1 PURPOSE AND SCOPE – RESPONSIBILITY TO THE COMMUNITY

All persons deserve protection by fair and impartial law enforcement and should be able to expect similar police response to their behavior wherever it occurs. Employees will serve the public through direction, counseling, assistance, and protection of life and property. Employees will be held accountable for the manner in which they exercise the authority of their office or position. Employees will respect the rights of individuals and perform their services with honesty, sincerity, courage, and sound judgment.

301.3 CUSTOMER SERVICE AND COMMUNITY RELATIONS

APD constantly works to establish direct contacts with the community we serve. Without grassroots community support, successful enforcement of many laws may be difficult, if not impossible. Community involvement can be an effective means of eliciting public support, can serve to identify problems in the making, and may foster cooperative efforts in resolving community issues. Input from the community can also help ensure that agency general orders accurately reflect the needs of the community.
