

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

April 1, 2022

ICMS #: 2022-0239

On April 1, 2022, the OPO received an email complaint.

The complainant alleges: I have high concern about how charges were filed and an arrest warrant issued against my son without attempting to speak to him for his account of events. Had this been done I doubt this matter would have progressed. My son is [REDACTED].

Police Report #: [REDACTED]

The date of the report is on [REDACTED] when the girlfriend talked to police. I do not know the time of the report but maybe around [REDACTED]. That's the only time APD was involved that me and my son know of.

The day that the girlfriend claims an incident happened was the night before on [REDACTED].

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
