

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

March 3, 2023

ICMS #: 2023-0177

On March 1, 2023, the OPO received a phone complaint.

The complainant alleges: The complainant and her friends were waiting in line for pizza on [REDACTED] when a police horse bumped into her and her friends. The horse knocked one of her friends to the ground and stepped on the complainant's foot. When she got back to her Airbnb, her sock was drenched in blood. She has been to urgent care and is now in a boot, suffered fractures, and her nail is falling off. An officer saw what happened and asked for the complainant's name and date of birth. She's not sure if he wrote a report. After the incident the police just kept walking, didn't ask them if they were ok, or offer aid. The complainant states that the horses bulldozed through them without any warning. There were multiple witnesses who yelled at the police asking why they did that to the complainant and her friends.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
