

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

April 28, 2022

ICMS #: 2022-0322

On April 27, 2022, the OPO received a phone complaint.

**The complainant alleges:** She called APD because her neighbor was videotaping her. At first, APD told her it was illegal then he changed it, so she told him “F” you and closed her front. The officer told her the neighbor can film up to a certain pass point, but the neighbor continued to point the video camera at her front door. She has had a lot of break-ins and that neighbor could be responsible and she has a right to see what is on the film or APD should review the film. She is in public housing because of several disabilities, but she does not know about her neighbor or if she has medical conditions, or why she provoked her.

***This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.***
